

Thank you so much for agreeing to hold your own Dandelion Together Time event – your support is invaluable to us and we are very excited you are on board!

As you know, the fundamental purpose is to raise much needed funds for Dandelion and to raise awareness of our vital work in improving the welfare of our most vulnerable children.

The success of the project will be based on keeping this momentum going and by spreading the word far and wide. By agreeing to host your own event you are a crucial part of this and we are so grateful for your support. You are part of our future!

We hope the enclosures in this pack will be all you need to get the ball rolling. There's an overview of the initiative and our hopes for its growth, as well as a 'how to' for your event. You will also find a DVD enclosed which you might want to show during the event and brochures for your guests to take away and read at their leisure.

We are here to support you in any way possible to ensure your event is a great success. We will be in touch with you in the run up to it but in the meantime, if you have any questions at all, please do not hesitate to contact us.

Thank you so much and looking forward to talking to you soon.

Kind regards,
